COURSES DRAWN
Princeton Goes East Course Near Canal—Practice Yesterday Only Racing Starts

The Yale crew with Head Coach Hubbell at the helm arrived in New Haven yesterday afternoon and went immediately to practice for the races which will be held at the University of Connecticut during their stay here. Their shells arrived earlier in the afternoon, and at a quarter to five they went out on the lake for their first practice spin. Prior to the workout the crew drew for courses. Yale secured the west course, on the tide toward Princeton, while the Princeton crew will row the east course which is nearest the canal.

Weather conditions yesterday were ideal for rowing and the sky was blue. The wind was from the south although most of the time was devoted to trying out variations of the line of the shell in order to practice the men are in decidedly better shape than they were when they first arrived on the campus, Speth does not intend from now on to give any regular practices except every other day. The Sophomore crew, a novice upperclassman eight-man, is also on the water. It will row twice a day, once in the morning and again in the afternoon. The weather conditions have been favorable and Speth, who has been a regular satisfier so far, is steadily on the up look. Yale—Low bow, Rogers, 2 Demep, Capt. 3 Ropp, 4 Waltz, 5 Walse, 6 Ford, 7 Kellogg, 8 Donan; Princeton—Bow, Moore, Enter, 2 Swift, 3 Stern, 4 Paul, 5 Wise, 6 Willard, 7 Rahn, 8 Baker.
