GLUE CLUB TRIP.

The annual trip of the Glue, Banjo and Mandolin Clubs for the winter of 1893-94 to southern cities was partly induced by the desire to see the largest cities of the South, as this was the most complete ever taken by any college club. Thirteen cities were visited between Baltimore and New Orleans, in every one of which the clubs were entertained by large and enthusiastic audiences. Great credit is due the management for the able and efficient manner in which the details and schedule, with but one unfortunate exception, were taken out. The hearty cooperation and assistance of the alumni and undergraduates in the various cities is this result largely due. During the entire trip the clubs traveled on a special train -- consisting of four cars -- of which a vestibuled baggage car, a Pullman sleeper and two private cars, loaned to the clubs, by Mrs. T. Harrison Garrett and Mr. Lord of the B. and O. Last year the trip was made with a special train and then the success of the undertaking induced the management to adopt this plan this season. The only mishap of the whole trip was the omission of the Baltimore concert owing to the late arrival of the cars from Richmond which occurred by the poor transportation afforded by the railroad company.

On Tuesday, December the nineteenth, after a photograph of the "special," except one, had been taken, the train left Philadelphia at 12:30 o'clock for Baltimore, where the first concert was to be given, arriving at 2:30 p.m. After a light lunch at the station the clubs attended a delightful tea at the residence of Mr. and Mrs. Hunter, which was beautifully decorated with flowers, and the library thrown open for dancing. At the concert given at the Lyceum the house was crowded, and the different numbers on the programme were enthusiastically received. At the conclusion of the concert the clubs attended the Tuesday Night German, where a large number were entertained by the Baltimore Club. At twelve o'clock noon the next day, the clubs left for Washington where they arrived at one o'clock and lunched at the Arlington Hotel, which they made their headquarters during the stay. At four in the afternoon they attended a tea given by Mrs. Joseph K. McCommon. The concert was held in Metropolitan Music Hall and at Baltimore the audience was large and enthusiastic. After the concert a brilliant reception and dance followed at the residence of Mr. and Mrs. Lee Robertson where a dance was given in their honor. After the dance the clubs were received by the "Elks" Club. Leaving at 4 a.m. Monmouth was reached about noon on Wednesday, where they immediately proceeded to the Peabody Hotel for lunch. The concert in the evening was given at an audience of three thousand in the Auditorium, after which a dance was held at the Peabody Hotel, under the auspices of Messrs. Boyle '89 and Snowden '90. The next stop was at Nashville which was reached at 11 a.m. on Thursday. Dinner was served at the Nicholson Hotel. In the afternoon a party visited the celebrated Belle Mead Stock Farm, where they were pleasantly entertained. After dinner the clubs attended a concert at the Nicholson Hotel, leaving Nashville at 4:30 a.m., the train reached Cincinnati about noon on Friday. During this run both Louisville and Cincinnati 319 miles were covered in 136 minutes, breaking the record between the two cities. At Cincinnati the clubs stayed at the Burnet House. The concert had been well advertised and a Princeton-Yale-Tulane display presented several handsome designs in orange and black. The concert at the "Odion" was given before a very large and fashionable audience. The house was profusely decorated in the college colors and palms and potted plants adorned the stage. In front of the hall the "Princeton" appeared in large letters formed by small gas jets. Many were unable to obtain standing room. After the concert the clubs attended the Patriarch's Ball at the Burnet, while the remainder were finely entertained at the University Club. The next concert was given the following evening at Cleveland. During their stay in Cleveland the clubs visited the Home of the Confederate Veterans, the Ohio State Capitol, the Western Reserve Historical Library and the Cleveland Athletic and Lotus clubs, and in small parties at several private houses. At the musical clubs of Cleveland the homes of the various alumni were visited, and the whole program was a marked success and the club deserve congratulations for their efforts.

THE SEMINARY CATALOGUE.

The catalogue of the Seminary for 1893-94 has just appeared. There are 292 students enrolled, distributed as follows: Graduate Class, 19; Sophomores, 61; Middle Class, 73, Juniors, 69, Specialists, 10. Five other seminaries, 66 colleges, 24 states and 6 foreign countries are represented. Princeton heads the list with 53. Others are Pennsylvania, 71, New Jersey, 27, New York, 20, Canada, 12, Ireland, 10. The special lectures announced for the Seminary year are the Stone course, the lecturer for the present year being the Rev. Frederick Howard Wink, Secretary of the Illinois State Board of Charities; his subject is "Certain Sociological Problems," and the students' Lectures on Missions, by the Rev. William Irwin, D.D., Professor of the Meiji Gakuen in Tokyo. His subject is "The work of the Presbyterian and Reformed Churches in Japan." The session this year will end May 8. The frontispiece of the catalogue is an engraving of Hodge Hall and scattered through the book other engravings of Stuart and Alexander Halls and the Library.

Freshmen who did not take the written recitation in German before Christmas may do so Tuesday, January 9, at 1:45 P.M. in room 5, Dickinson Hall.

BANQUET OF WESTERN PENN. CLUB.

According to the program laid out by the Western Pennsylvania Club for the holidays, the theatre party and banquet took place Wednesday night, January 3rd. The Duquesne Theatre had been engaged, and especially the boxes, all of which were reserved for the Club. The plan selected was "In Minzour" and Mr. Goodwin showed his appreciation of the crowded house by a blessing the audience in a speech on "American Plays and American Players." Burr McIntosh, who takes the part of the blacksmith in the play, also made a short speech.

Between the acts the college yells were given, mingled with some of the college songs.

After the theatre, the men met again at the Duquesne Club on 6th Avenue where the banquet was held, John Murray '94, acting as chairman of the evening. Among the alumni present who responded to toasts were: J. B. Laughlin '86, Wm. Jones '87, Burr McIntosh '84, Wallace '91, Hussey '92, Curran '92, Hutchinson '92, Lloyd '92, Shannon '86 and King '93. On the whole, the program was a marked success and the club deserve congratulations for their efforts.
The Daily Princetonian

The annual trip of the Gloe, Banjo and Mandolin clubs this year was undoubtedly the most successful ever undertaken by Princeton clubs, both in the extent of territory covered and in the number and success of the various concerts, some of which being in a section never before visited by a college glee club. Great credit is due the management for the perfect arrangement of every detail, and the thanks of the club are due Mr. James Potter, District Passenger Agent of the Baltimore & Ohio Railroad, who made the complete trip with the clubs and had charge of the railway schedule. The entire trip was completed without the slightest accident, the only hitch being due to the carelessness and inadequate equipment of the Seaboard Air Line, by which the train arrived at Atlanta six hours late and were forced to omit the concert at that place.

Within the short period of two weeks, the clubs, consisting of over fifty men, covered over thirty-five hundred miles and gave thirteen concerts in the largest cities of the South. They were everywhere greeted with the greatest enthusiasm and tendered a hearty reception. The leaders of the club are to be congratulated on their efforts to perfect the work of the clubs and the members deserve credit for their persistent labors in the attempt to surpass the standard set by previous Princeton clubs. The officials of the roads over which the clubs passed are to be thanked for their kindness in perfecting arrangements by which the runs in almost every instance were made on schedule time. But after giving all others the credit, they deserve it must not be forgotten that the alumni and undergraduates residing in the cities is due no small part of the success. For to their efforts in advertising and working up an interest in the concert, is largely due its success. Princeton alumni in the South are few, but the enthusiasm and cordiality now everywhere proved a loyal and staunch interest in their welfare. The men were royally entertained, and even then the time was all too short to satisfy that the demands of the hearty hospitality which welcomed the club from the beginning to the end of the trip. We take this opportunity to thank the alumni for the unselfish devotion displayed by them. There can be no doubt that this trip of the clubs will be of service by drawing the attention of the South to the college and uniting the alumni in their efforts to further the interests of their Alma Mater.
