Columbia Secures the Championship. Princeton Wins the Special Event.

Special Dispatch to the Daily Princetonian.

New York, March 23—The first annual Intercollegiate Gymnastic Meet held here last night and won by the Columbia team. The Columbia Gymnasium was filled to its utmost capacity by a large audience, which was enthusiastic in its reception of the excellent work exhibited. Columbia and the team defeated the other teams in all-around team work, the former showing up especially excellent form. The meet was, in part, to their familiarity with the gymnastics and the apparatus. Princeton easily secured first place in the special event, and the exhibition of L. Eschelle by W. F. Moutain '00, S. J. Feagles '00, and L. E. Katzenbach '01, elicited the heartiest applause of the evening. Princeton thus secures the special silver cup, awarded the team whose members are among the best in the country.

The events were run off with great promptness, considering the large number of contestants, and the meet was received with much applause and respect. However, it was found necessary to hand the club swinging in the early part of the afternoon, in order to shorten the evening’s program. The remaining six events were held in the evening, beginning at 8 o’clock. Columbia scored a total of 26 points, thus winning the banner emblematic of the intercollegiate championship for Columbia last season. Princeton was second with 17 points, and Harvard third with 8. The special event of the evening was the deciding for college championship.

The individual championship was won by J. De La Fuente, of Columbia, for his excellent all-around work, scoring 109 points. He was hard pressed by E. L. Elia- son of Princeton, who was next in order, 107.5.

Immediately after the exhibition, a dance was given by the Columbia association in honor of the visiting teams. Previous to the events in the afternoon, a meeting of the Intercollegiate Gymnastic Association was held, at which the regular routine business was transacted.

The following is a list of the win- ners of the second and third places in the evening events, receiving gold, silver and bronze medals respectively:

Parallel Bars—E. L. Elia- son, Yale, first; G. H. Whipple, Yale, second; J. P. Jones, Harvard, third.

Arrangements for the evening’s program were as follows: W. B. Curtis, R. Stoll, and E. J. Gia- nini, of the New York Athletic Club; H. Smith, Newark Y. M. C. A.; S. Pettit, Adelphi College, Brooklyn; and A. Koehler, West Point.

PRINCETONIAN

FIRST BASEBALL GAME.

University Team to Play Rutgers This Afternoon.

The University baseball team will play the first game of the season with Rutgers at 3 p.m. to-day, on the baseball field. The University diamond is still too wet for use, and the game will be played on the Princeton field. The batting order of Princeton’s team, with the positions, will be as follows:

Walters, c.; Meier, s. s.; Kafer, c.; Paris, 1st f.; Hille- brand, p.; Brown, r. f.; Hutchings, 3 b.; Steinwender, 2 b.; Green, 1 b.; LaFuente, 2nd f.; Sudler, 3rd b.; and Scrub, Young, pitcher, and Green, catcher. This order was the same as on Thursday.

SYMPHONY CLUBS.

The Symphony Band and Mandolin clubs are practicing daily, the Mandolin club has made much progress, and is now practicing five pieces. The Mandolin Club is working on three selections. A schedule of concerts is being arranged and it is expected that about seven or eight entertain- ments will be given during the coming Easter. The Glee Club has not made much progress as yet, but regular practice will commence im- mediately.

The Freshman Glee, Banjo and Mandolin Clubs have been rehearsing daily since their organization in the latter part of February.

The Glee Club, under the leadership of J. K. Miller, is practicing the following selections: "Old Nassau," "Triangle Song," "Orange and Black," "Stand by your Glasses," and a Medley. The Mandolin Club, I. R. Wade, leader, is playing the "Daughter of Love Waltz," "Columbia Gal- lopade," "Big Five," and "After Review." A medley now being arranged will soon be included in the program.

The Banjo Club, A. S. Phillips, leader, is at present rehearsing "University Jig," "Floral Waltz," and a Medley.

Princeton will send a team of four men to compete in an invitation relay swimming match at the Knickerbocker Athletic Club on April 14.

FOOTBALL BANQUET POSTPONED.

The banquet which was to be given at the Trenton Hotel, Trenton, last evening, to the members of the football team, was postponed on account of the illness of Mr. Frank S. Katzenbach ’80, who was to give the banquet. The date, on which the banquet will be given, will be announced later.

VARIETY CLUBS.

The final trials to select the members of the Princeton Yale for the Yale Harvard debate were held at Yale on Thursday afternoon. The debate will be upon the subject, "Resolved, that Puerto Rico should be included within the custom boundaries of the United States." Yale will speak upon the negative of the proposition. Leitv is the only member of the team who has represented Yale in former Inter- collegiate debates.

The final trials to select the members of the Princeton Yale for the Yale Harvard debate were held at Yale on Thursday afternoon. The men who were chosen and the order in which they will speak is as follows: M...
THE BASEBALL SEASON.

The University baseball team opens the season to-day with the game against Rutgers. The prospects are very encouraging, the material is fully as good as usual, and we have every reason to expect a repetition of last year's successful record. The possession of a skilful coaching force and an experienced captain should greatly improve our chances. A large number of men should make it a point to attend the opening game this afternoon and give evidence of their interest in and support of the team.

The management also requests that attention be called to the practice of carelessly destroying the posters advertising the games. For some reason or other, the posters issued for to-day's game disappeared almost entirely a short time after they had been put up. The posters are printed by the management for the purpose of advertising the games as widely as possible, and it is especially desired that they be allowed to remain in position until after the games in question have been played.
