Glee Club Smoker Replaces Elliott Forbes as Director—30-Man Organization Planned.

Russell A. Cook replaces Elliott Forbes as Director of the Princeton Glee Club. Under the direction of Russell A. Cook, who composed the program for the annual Smoker to replace Elliott Forbes as Glee Club leader, the 80-voice organization plans to continue its concerts up to Christmas. At present there are 25 vacancies which may be filled by new members at the next rehearsal. The first concert is scheduled tomorrow at the smoker.

A concert here is planned for the Dartmouth football weekend and, if wartime travel restrictions permit, the Glee Club will make trips to various towns in the area. Russell A. Cook, who will direct the Glee Club this year, was formerly a lecturer on music at Harvard. Graduated from the University of Wisconsin, he is now director of the International Music Festivals at Symphony Hall Boston. In addition to conducting the Glee Club, Mr. Cook is now conductor of the Portland (Maine) Symphony Orchestras and has recently created the Symphonic Ensemble of Boston.

This summer the Glee Club sang in outdoor concerts in the Catskills and on the outdoor sing on the steps of Blair Arch in August. Both concerts were a decided success. Russell A. Cook, a member of the Glee Club's "11-man" close harmony gang, sang during the intermission at the Blair Arch concert, which was attended by the Nassau. The "Nassoons" will entertain at tonight's smoker.
