TWO KILLED IN ACCIDENT ON BRUNSWICK PIE FUND
Four Injured in Early Morning Crash at Passport Food Service

The 42-year-old driver of a school bus and three students were killed yesterday in a head-on collision on Brunswick Avenue.

The accident occurred at the intersection of Brunswick Avenue and Passaic Street, where the driver of the school bus lost control of his vehicle and collided with the school bus carrying three students. The driver of the school bus was pronounced dead at the scene, while the passengers were transported to the hospital with serious injuries.

The school bus was traveling north on Brunswick Avenue when it collided with the other vehicle, a school bus traveling south on the same street. Both vehicles were fully occupied, with approximately 20 students on board each.

The investigation is ongoing, and authorities are urging witnesses to come forward with any information that may help in determining the cause of the accident. The school district and the transportation department are working closely with law enforcement officials to ensure the safety of its students and staff.

The accident has led to the suspension of all school bus operations in the area, and the district is providing alternative transportation options for students. Parents are being notified, and counselors are available to support the students affected by the tragedy.

The school district is offering grief counseling and support services to help students cope with the loss. The district is also providing resources for students who may need additional support or assistance.

The school district is committed to ensuring the safety of its students and staff, and it will continue to work with law enforcement officials to determine the cause of the accident. The district is dedicated to supporting its students and staff through this difficult time.

Be Cool and Comfortable During the Hot Season!

White flannels in plain or striped effect are indispensable for your summer wardrobe. In the midst of sweltering weather the wise man will replenish his supply of linen trousers and knickers. They are easily laundered, and look fresh and cool.

Rayon silk union suits are inexpensive, but they represent the last word in comfort.
